## NOT JUST ANOTHER WEBSITE

US\$40 billion of property, multiple languages and currencies, with over a million visitors annually from more than 200 countries, luxuryportfolio.com generates property enquiry and buyers from all over the world. The website is promoted through a high profile print marketing campaign in publications such as Wall Street Journal, Unique Homes, Du Pont Registry, Ultimate Homes, Departures Magazine, and Luxury Portfolio's own international magazines. All properties displayed on luxuryportfolio.com are also featured on the Wall Street Journal property website.

Individually the member companies are strong in their respective markets, but the combined strength is what has made The Leading Real Estate Companies of the World™ and the Luxury Portfolio program the leading international marketing option for exceptional property.
